**BEATRIZ G. TORNO, PhD., CESO III**  
OIC- Office of the Regional Director  
Department of Education- CAR  
Wangal, La Trinidad, Benguet

Dear Director Torno:

In support to the Disease-free School Initiative of the Department of Health, our office has been funding the Provincial/City DepEd Advocacy meetings to sustain the gains of the initiative.

Relative to this, the DOH-CAR Office in coordination with the DepEd Regional Health and Nutrition Unit Staff scheduled the simultaneous Provincial/City DepEd Advocacy Meetings on May 12, 2017. The objective of this activity is to review school-based health program implementation, provide health program updates and to advocate various health programs to teachers, school health personnel and Parents-Teachers Community Association (PTCA) officials. As planned during the Regional DepEd Advocacy Meeting in September 2016, the DepEd Health and Nutrition Staff will facilitate and make the necessary coordination for the conduct of this activity.

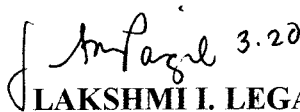

In this regard, we request the DepEd Division Offices to invite concerned participants per division to attend the said activity at their preferred venue. Our Provincial DOH Offices will be coordinating with the DepEd Division Offices regarding the conduct of this activity.

For further information, our Program Coordinator, Mr. Roldan Liwaliw, will be coordinating with your staff for further details of the said activity but for any inquiry, you may contact him at 0921-4725-847.

Attached is the activity proposal of the said activity for your reference.

Thank you and more power.

Respectfully yours,

 3.20
