GOVERNMENT PERMIT OR RECOGNITION WITH THAT OF
THEIR SEC REGISTRATION**

To: OIC-Asst. Regional Director
Schools Division Superintendents
Private School Administrators
All Others Concerned

1. There are private schools having different names appearing in their Government Permit or Recognition with that of their Securities and Exchange Commission (SEC) registration. These may have been caused by the amendment of SEC registration after the issuance of Government Permit or recognition without amending the later or for any other reasons.
2. To correct the issue, all schools having different names indicated in their Government Permit or Recognition against their SEC registration shall cause the amendment of either of the document to retain the preferred official name.
3. This office had been considerate in issuing Special Orders despite the aforesaid issue for the sake of the learners and to give chance to concerned schools to comply until **August 31, 2021**. Failure to comply within the given timeline shall be a ground for denial of any application requiring the alignment of school name in the permit or recognition with the SEC registration.
4. For details or queries, kindly contact the Quality Assurance Division (QAD) at Tel. No. 422-1318 (local 1201) or email at quad.depedcar@gmail.com.
