Regional Memorandum

No. 233-2018

DEPED-CAR Time: _____

REITERATION OF THE 720 HOURS IN THE SENIOR HIGH SCHOOL SPECIALIZED TVL SUBJECT

**TO: Schools Division Superintendents
All other Concerned**

- This is to reiterate the compliance of Senior High School Curriculum to wit:
The Curriculum Guidelines in the Senior High School (SHS) Program stipulates that the total number of hours for core, applied and specialized subjects is 2,480 hours divided into the following: core subjects-1,200 hours, applied track subjects-560 hours and specialized subjects 720 hours. A senior high school student is expected to undergo the required number of hours and pass the subjects in order to be a senior high school graduate.
- In DepEd Order No. 30, s. 2017, Table 1. Work Immersion Delivery Options provides preference to schools in the conduct of work immersion which needs to be reconciled. As follows:

Models	Work Immersion Hours	Learner's Purpose and Needs	School	Options
Model A	80 hours (This is the minimum requirement for Work Immersion.)	For learners who only need 80 hours of work immersion	Has partners that only accommodate 80 hours of Work Immersion	
Model B	240 hours (80 + 160 hours)	Optional for learners who: 1. decide to do more Work Immersion hours in the	Has several Work Immersion partners that can accommodate	1. Learners may start taking a 640 hour specialization in Grade 9 and finish at Grade 11. For Grade 12, she/he may take

		specialization of their choice; and 2.have more Work Immersion opportunities available.	all its learners in the first and second semester of Grade 12	up another 160 hour after the Work Immersion. Examples B1 and B2. (Grade 9 to 10 is 320-hours and Grade 11 is 320 hours) Note: 640 hour TVL specialization is accumulated in the Senior High School.
				2.For Grade 12, she/he may take up another 160-hour specialization before or after the work immersion.
				3.Learners may also take up three 160-hour specializations starting Grade 11. Work Immersion may be done during the second semester of Grade 12. Note: Above Model requires only 480-hours
Model C	240 hours distributed over several terms	Optional for learners who: 1.decide to do more Work Immersion hours in the specialization of their choice; 2.have more Work Immersion opportunity available;and 3.are enrolled in specializations	Has Work Immersion venues but these cannot accommodate all learners in 2 nd semester of Grade 12,hence making it necessary to spread out the immersion over several terms.	1.For a 640-hour specialization,learners may take the first 320 hours in Grade 11 then have 120 hours of Work Immersion during summer. They may then take up 160 specialization Hours during the first semester of Grade 12 and have 40 hours of Work Immersion during the semestral break.

		that require more training hours.		<p>Learners may then take up the remaining 160 specialization hours during the second semester of Grade 12 and have 80 hours of Work Immersion.</p> <p>An example is shown in Model C1</p> <p>2. Another option for a 640-hour specialization is for learners to take 320 hours of specialization in Grade 11 and have 160 hours of Work Immersion during summer. She/He may then take up 320 hours of specialization during the first semester of Grade 12 and have 80 hours of Work Immersion during the second semester.</p>
Model D	320 hours distributed over several terms (80 + 240 hours)	Optional for learners who: 1. are likely to proceed to employment after basic education; 2. decide to do more Work Immersion hours in the specialization of their choice; and 3. have Work Immersion	Has partners who have more Work Immersion slots Has select learners who are ready for more training in the workplace.	<p>1. For a 480-hour specialization and work immersion for 320 hours, learners may take up 320 specialization hours in Grade 11 and have 80 hours of Work Immersion during summer.</p> <p>She/He may then take the remaining 160 specialization hours in the first semester of Grade 12 and have</p>

		opportunities available to them.	240 hours of Work Immersion in the second semester.
			<p>2. Learners may finish a 320-hour specialization in Grade 11 and have 40 hours of Work Immersion during summer.</p> <p>Learners may then continue their Work Immersion in the 320-hour specialization in the first semester of Grade 12 for 240 hours and during semestral break for 40 hours.</p> <p>She/He may then take up another 160-hour specialization during the second semester of Grade 12.</p>

3. In the above guidelines, a Senior High School student must undergo the 640 hours TVL specialization as provided in the Curriculum Requirements and 80 hours minimum to 320 hours maximum Work Immersion as provided in DepEd Order No. 30 s. 2017, Work Immersion Delivery Options.
4. Schools Division through the Senior High School Focal Person to strictly monitor the implementation of Senior High School guidelines.
5. Immediate dissemination and compliance to this Memorandum is desired.
