REGIONAL MEMORANDUM

NO. 238.2020

To: Assistant Regional Director
 Regional Office Division Chiefs
 Schools Division Superintendents
 All Others Concerned
 All Divisions

PARTICIPATION TO THE ASIA-PACIFIC GoIT FACILITATOR ONLINE TRAINING FOR SCIENCE AND MATH TEACHERS

1. This refers to the attached letter of Mr. Patrick Jay Veril, Corporate Social Responsibility Manager of Tata Consultancy Services, Philippines, offering partnership with DepEd-CAR in their Digital Innovation Education program named “goIT”.
2. “goIT” is a student engagement digital innovation program which envisions to strengthen communities today by empowering their digital innovators of tomorrow.
3. The program aims to spark curiosity and demystify what computer science and information technology are; meet industry experts; provide safe space to learn design thinking; and build 21st century skills.
4. This partnership intends to provide a three-day training to identified Grade 10 students of schools offering Science, Technology, and Engineering (STE) programs in each of the 8 Divisions. The students must be enrolled this SY 2020-2021. They must have stable internet connectivity and a laptop to be able to participate efficiently in the program.
5. The table below illustrates the framework of goIT for this training program.

DAY	MODULE/S	STUDENT DELIVERABLE/S
Day 1	Module 1: The STEM Skills Gap and Computer Science	<ul style="list-style-type: none"> • <u>Storyboard</u> – a colorful and fully thought out Storyboard illustrating their full product concept • <u>Mobile App Prototype</u> – a few screens illustrating portions of their mobile app concept
	Module 2: Becoming a Design Thinker	
Day 2	Module 3: Choose a problem to solve in your community	

Republic of the Philippines
Department of Education
Cordillera Administrative Region

	Module 4: Create the Story Board for your concept	<ul style="list-style-type: none"> • <u>Slide Presentation</u> – a polished slide deck highlighting their development process, product and pitch • <u>Entrepreneurial Pitch</u> – a professional and fully rehearsed oral presentation on their product concept and development process
Day 3	Module 5: Prototyping your concept	
	Module 6: Pitching your concept	

- Enclosure 1 includes the expected number of student participants per identified school and the planned schedule of student training per Division.
- Names of students per school following the given template in Enclosure 2, must be sent through email at clmd.depedcar@gmail.com on or before September 4, 2020. It is requested that SDOs and Schools will ensure an equal number of male and female student participants.
- To immediately check the response of students to this program, a pilot run shall be conducted on September 23 to 25 to about 31 grade 10 students of the Cordillera Regional Science High School, Division of Benguet.
- To help facilitate the training for the students, teacher-facilitators shall be provided with a 12-hour training to provide them with strategies in facilitating the modules for the students and in cascading the program with fellow teachers. The Regional Office Supervisors were included so they could provide technical assistance and monitor the successful implementation of the program. SDO Kalinga has not identified a school offering STE, however the identified teachers are included in this training for professional development and with the expectation that after this activity, the trained teachers shall facilitate opening STE classes in the Secondary Schools in the Division.
- Online teacher training shall commence on August 18 from 9:00 to 11:00 in the morning. Subsequent schedules will be on August 25, September 1 and 8, 2020. Relative to this, the following teachers are recommended:

Divisions	Names of Participants
Regional Office	Bryan A. Hidalgo
	Rosita C. Agnasi
Abra	Marilou Vasquez
	Jun Jun D. Pescador
Apayao	Kristoffer Paulo Ramirez

ATTN: **Carmel Meris**, Chief Education Program Specialist

Tata Consultancy Services (TCS) is implementing a Corporate Social Responsibility program called **goIT**, a student engagement program, which envisions to strengthen communities today by empowering their digital innovators of tomorrow. The program aims to spark curiosity and demystify what computer science and information technology are, meet industry experts, provide safe space to learn design thinking, and build 21st century skills.

We are proposing to partner with you on this program.

Cited as one of the world's most innovative and valuable IT services companies, **TCS** is a multinational IT service, consulting, and business solutions company employing more than 387,200 associates representing 130 nationalities in 45 countries with headquarters in Mumbai, India.

In the Philippines, TCS was established in 2008 and is currently operating in four locations in Bonifacio Global City and Angeles City, Pampanga. The company has been actively involved in various corporate social responsibility (CSR) initiatives in education and beginning this year, we aim to further our efforts by developing high-impact programs that address educational challenges and help create employment using our competencies.

In this light, may we request a meeting with you on July 28, 2020 at 9:00 AM through webex or any online platform of your preference?

The undersigned shall coordinate with your office for the update with regard to our request. In case you have any concerns or clarifications, you may call 09190606205 or send an e-mail to patrick.veril@tcs.com.ph

We look forward to being your partner in creating more employment for the Filipino people

Thank you.

Regards,

Patrick Jay Veril
