

Republic of the Philippines  
**Department of Education**  
CORDILLERA ADMINISTRATIVE REGION

25 April 2024

**REGIONAL MEMORANDUM**

No. 258.2024

**REITERATION OF REGIONAL MEMORANDUM No. 267, S. 2023  
(Conduct of Tree Planting Activities)**

To: Assistant Regional Director  
Schools Division Superintendents  
Public and Private Elementary and Secondary School Heads  
All Others Concerned

1. Trees play an important role in the fight against climate change. As trees grow, they help absorb and sink the carbon that would otherwise contribute to global heating. However, the number of forest fires happening within the region is a setback to our region's contribution to the global fight against climate change.
2. As DepEd-CAR's serious commitment to the fight against climate change, all Grade 6 and Grade 12 learners in both public and private schools are encouraged to conduct tree planting activities within the school year.
3. Program coordinators on Youth Formation and Disaster Risk Reduction and Management are enjoined to coordinate this activity with their local Environment and Natural Resources Offices for the provision of seedlings/saplings and identification of planting sites.
4. Accomplishment reports with pictorials shall be submitted to ESSD, DepEd-CAR Regional Office through email **car.essd@deped.gov.ph** following the attached template.
5. Wide dissemination of this Memorandum is desired.
