REGIONAL MEMORANDUM

No. 267-2017

RECEIVED
 SEP 15 2017

FINANCIAL ASSISTANCE FOR THE GULAYAN SA PAARALAN PROGRAM IMPLEMENTATION FOR SY 2017-2018

DEPED-CAR Time: _____

To: All Schools Division Superintendents

1. The Department of Education (DepEd), through the Bureau of Learner Support Service School Health Division (BLSS-SHD) continue to strengthen the implementation of the Gulayan sa Paaralan Program (GPP) in public elementary and secondary schools nationwide to address malnutrition, and to promote vegetable production and consumption among school children. To establish school gardens in all schools and sustain school gardens established in both public elementary and secondary schools to ensure continuous supply of vegetables for the school feeding program.
2. This school year 2017-2018, a financial assistance of PhP10,000.00 was downloaded to the schools division offices to be given to selected schools for the establishment and maintenance of nurseries, crop museums & school gardens. Crop museums in schools serve as a focal point for saving crop varieties. This is a garden where teachers, students and community members can view a diverse range of nutritionally relevant and climate hardy vegetables. Crop museums also serve as nurseries (source of planting materials) for surrounding schools and communities since mother plants are preserved in crop museums throughout the year.
3. The financial assistance for the GPP implementation shall include procurement of starter seeds, organic fertilizer inputs, garden tools, and materials to establish school garden nurseries.
4. The general objective of the GPP is to promote food security in schools and communities through self-help food production activities and values among the learners and appreciation of agriculture as a life support system. It aims to establish and maintain school gardens as ready food basket/source of vegetables to sustain feeding; as a laboratory for learners; show-case small-scale food production models and inculcate among the learners the values of gardening, good health and nutrition, love of labor, and caring for others and the environment.
4. Schools division superintendents and school heads are enjoined to extend full administrative support to the management of the Program.
5. Enclosed are the list of schools for ready reference.
6. Immediate dissemination and compliance of this Memorandum is desired.
