REGIONAL MEMORANDUM

No. 277-2022

**ROBOTICS TRAINING-WORKSHOP FOR SCIENCE EDUCATION
PROGRAM SUPERVISORS AND TEACHERS**

To: Assistant Regional Director
Schools Division Superintendents
Education Program Supervisors for Science
All Others Concerned

1. The Regional Office through the Curriculum and Learning Management Division in partnership with CREOTEC Philippines shall conduct a Robotics Training-Workshop for science supervisors and teachers on July 9, 2022 at Eco-Lodge, 348 Magsaysay Ave., Baguio City.
2. The activity aims to equip the participants with the knowledge and skills on how to integrate and apply robotics principles in science.
3. The food and snacks for the whole day duration will be shouldered by CREOTEC Philippines while travel expenses of the participants shall be charged against local funds.
4. List of participants are attached for your reference.
5. For queries, please contact Rosita C. Agnasi, OIC-CLMD or Asterio C. Madalla through this number: (074) 422-7096 or mobile number: 09466522935.
6. Immediate dissemination of and strict compliance with this memorandum is directed.

DR. ESTELA L. CARIÑO
Regional Director, CAR
Department of Education

Dear Dr. Cariño:

We are pleased to inform you that Creotec Philippines Inc. will be conducting Regional Robotics Training-Workshops for Science Educational Program Supervisors in the country to strengthen the integration of robotics principles and application in the science curriculum. This is in line with our company's implementation of Sustainable Development Program Goals # 4 and #9, particularly focusing on Quality Education, and Industry, Innovation and Infrastructure. It is our objective to share the best practices to the education sector from the industry where we belong as part of EMS Group of Companies.

With this training-workshop, the participants will be able to upgrade their skills in engaging learners to appreciate science principles where robotics can be used as a tool for better understanding as these are applied using robotics assembly and operations.

In this regard, the workshop for CAR is scheduled on **July 9, 2022, from 9am to 4pm, at Eco-Lodge, 348 Magsaysay Ave., Baguio City.**

Further, we would like to request for Mr. Asterio Madalla to be the lead person for this project to identify the fifty (50) participants for the workshop. We also would be honored to have you as a guest to deliver a welcome message to the group. Attached is the program of activities for your reference.

We shall be bringing with us the robotics kits that will be used for the training and each participant will be given their certificates of completion. We will also be providing the meals for the duration of the program.

Should there be any concerns, please do not hesitate to communicate with our External Partnership Coordinator, Ms. Jennilyn Matuto at 09476275058 or email her at jennilynm@creotec.com.ph and/or jennmatuto@gmail.com.

Thank you for your usual support. We are one with you in taking the path of upgrading and improving our quality of education to meet the learning needs of our 21st century learners.

Looking forward to hearing your favorable response.

Sincerely,

DR. TRESS P. BERMUDEZ
Director
Creotec Philippines Inc.
