- e. **Community Program.** Sectoral groups and Barangay Council may be allowed to use the school buildings, grounds, and facilities for civic and educational activities.
 - f. **Evacuation Center.** The use of school buildings/classrooms as evacuation centers is allowable in case of natural calamities. The utilization of school property and facilities shall always be under the strict authority and responsibility of the School Administrator. In case there is a need to evacuate school personnel and students, the following are specific policies:
 - i. DepEd Officials and personnel shall be responsible for the evacuation of students/pupils in case the school is threatened or in the hazard-stricken area, into safer place(s), and they continue to be responsible for the safety of the students/pupils until their custody has been taken over by the parents.
 - ii. DepEd Officials may allow the use of the school as an evacuation center when there is no other safer place where the people from the community can take refuge and as a temporary holding center since there is no intent to permanently utilize the same as residence for the calamity victims.
 - iii. In case the school is used as an evacuation center, DepEd Officials and personnel shall be responsible for the preservation of the school facilities and properties for the duration the school is being occupied by evacuees, so that after the emergency period the school can resume operation as soon as possible.
 - g. **Use by Refugees.** The temporary use of schoolhouses or premises by refugees on calamities, like typhoons, floods, fire, etc., in view of the existence of an emergency or urgent necessity.
3. For information and guidance.
