SUBJECT: **Validation of Priority Schools for Basic Education Facilities Fund (BEFF), CY 2018
Repair of Classroom**

1. During the DepEd Engineers' Cluster meeting held at Icon Hotel North EDSA, Quezon City, last October 6, 2017 the Education Facilities Division (EFD)-C.O. provided a long list of priority schools for validation and tentative allocation for each division which will be funded under BEFF CY 2018. Division Engineers are mandated to adopt the "repair all policy" for their validation as emphasized by Engineer Annabelle R. Pangan, Chief -EFD during the meeting.
2. A workshop is also scheduled by EFD-C.O. on November 13-17, 2017 for the preparation of Program of Works (POW) for the repair projects. The policy "No program of Work, No allocation will be implemented", in relation to this and to ensure the funds allocated for our Region, Division Engineers and DepEd Project Engineers(DPE) must prioritize the conduct of validation and to initially prepare program of works for finalization on the scheduled workshop.
3. Division Offices are also required to provide logistics to fast track the validation of the priority schools.
4. For information and strict compliance.
