1. The Department of Education, Cordillera Administrative Region, through the Curriculum and Learning Management Division – Learning Resource Management Section (LRMS), will conduct the **2024 Search for the Most Functional Library Hubs** in support of DepEd Order No. 64, s. 2009, which mandates the “*Institutionalization of the DepEd Library Hub Project in all Regional and Schools Divisions Nationwide.*”
2. The said activity aims to achieve the following objectives:
 - evaluate the current state and functionality of Library Hubs across the region based on criteria such as competency of the library hub staff, acquisition and utilization of learning resources, maintenance of hub resources and hub activities,
 - acknowledge and reward Library Hubs that demonstrate exemplary practices along the given criteria, thereby serving as models for other hubs in other schools division offices in the region.
 - identify gaps in the accessibility and availability of Library Hubs and propose actionable recommendations for improvements, ensuring that all teachers, school leaders and learners have access to quality educational materials.
 - establish collaboration among schools in the region, encouraging the sharing of resources, strategies, and innovations in Library Hub management.
 - document and disseminate best practices and success stories from the most functional Library Hubs, creating a repository of knowledge that can be used for future training and development initiatives within the region through the initiative of the CLMD – LRMS.
3. The six (6) Schools Division Offices with Library Hubs are required to submit their entries and accompanying documents to the CLMD – LRMS Office, c/o Mr. Benjamin Dio-al, no later than October 4, 2024.
